MasterZ Blockchain & Digital Assets - 2nd Edition Jan. 2022 – June 2022
MasterZ - Certification

Elements of AI - Introduction to AI Aug. 2023 – Sep. 2023
University of Helsinki & MinnaLearn - Certification

PROJECTS

Plantastic

Plantastic is a non-profit project that networks together volunteers, landowners and donors to help reforest local communities in northeastern Italy.
Through an app they can track their trees health and CO_2 absorption.
Fully developed the app in Flutter my free time.
